

## FAMIS Conference 2018

This Agenda is still in DRAFT Status  
 Please scroll to the bottom for the "Printer Friendly" option

Tuesday, June 26, 2018

### Vendors

9:00 AM - 11:30 AM	<b>Vendor Hall Setup</b> Vendor Hall setup starts at 9am. Vendors MUST be fully set up by 11:30am
11:30 AM - 4:59 PM	<b>Vendor Hall</b> Vendor Hall open from 11:30am - 5pm Tuesday *****Reception to follow from 5:30 - 7:30pm. Everyone should plan to attend!

### Learning Session

12:00 PM - 12:30 PM	<b>Opening Session</b> <b>Coquina D &amp; E</b> Opening Session for FAMIS 2017
12:30 PM - 5:30 PM	<b>Break Out sessions (Tues Afternoon)</b> Break out Sessions provided by DOE, District Staff & Vendors
12:40 PM - 1:40 PM	<b>IT Audit Roundtable</b> <b>Coquina H</b> Join three districts as they discuss recent audits in their Districts. Learn what was on the minds of auditors as they did these visits and how Districts responded to the audit issues brought up by the State Auditors.  <b>Speakers:</b> <a href="#">Candy Garcia</a> , <a href="#">Bill Nimmons</a> , <a href="#">David Lesnek</a>
12:40 PM - 1:40 PM	<b>Schools Grades/Grad Rate/VAM</b> <b>Coquina D &amp; E</b>  <b>Speakers:</b> <a href="#">Jason Gaitanas</a>
1:50 PM - 2:50 PM	<b>DOE Basics</b> <b>Coquina A &amp; B</b>
1:50 PM - 2:50 PM	<b>FTE Audit Round Table</b> <b>Coquina H</b>
1:50 PM - 2:50 PM	<b>MS Power BI</b> <b>Coquina F &amp; G</b> This session will focus on the School District's data and how we can make Data-driven decisions, Graduation Projections and Student Discipline.  <b>Speakers:</b> <a href="#">Jim Dunn</a> , <a href="#">Peter Thorne</a>
1:50 PM - 2:50 PM	<b>Schools Grades/Grad Rate/VAM (Repeat)</b> <b>Coquina D &amp; E</b>  <b>Speakers:</b> <a href="#">Jason Gaitanas</a>

### Free Food & Drink

2:50 PM - 3:05 PM	<b>Afternoon Break</b> <b>Vendor Hall</b> Snacks and Beverages will be provided in the Vendor Area.
-------------------	---

### Learning Session

3:10 PM - 5:20 PM	<b>Florida Focus Users Group</b> <b>Coquina C</b>
-------------------	--

The Florida Focus Users Group has over 140 members from IT and MIS roles in the school districts across Florida who use Focus SIS. We hold monthly conference calls, quarterly in-person meetings and an online google group forum with tons of resources. We encourage all school districts in Florida using Focus SIS to join the group, visit: <https://groups.google.com/forum/#!forum/fifpc> to sign-up. Agenda items for our meeting at FAMIS can be added to the agenda document on our google drive linked in the google group. All districts using Focus SIS are welcome to attend this session and submit agenda items up to a week prior to the meeting. The purpose of the group is for school districts to:

- Collaborate on strategies to manage school data systems
- Share the unique processes each district has developed within Focus
- Unite to provide a consensus for the direction of Focus in Florida

**Speakers:** [Aaron Nicely](#)

3:10 PM - 4:10 PM

**KG Screener  
Coquina D & E**

**Speakers:** [Renaissance Rep](#)

3:10 PM - 4:10 PM

**One Roster / Clever  
Coquina H**

See Clever and One Roster platforms. Ask questions and share how your district is making data integration easier.

**Speakers:** [Margo Gunnarsson](#),  
[LaQuita Extine](#)

**Free Food & Drink**

3:25 PM - 3:35 PM

**Wed Afternoon Break  
Vendor Hall**

Snacks and Beverages will be provided in the Vendor Area.

**Learning Session**

3:40 PM - 4:10 PM

**Beating the odds — How to empower eye-opening success  
Coquina F & G**

Behind every high-performing district stand talented teachers and staff who are dedicated to student success. Learn how TalentEd's data-driven solutions improve efficiency and effectiveness so they can focus on what they do best — advancing student achievement and inspiring a brighter future.

4:20 PM - 5:20 PM

**Legislative Updates/FSSAT/ESSA  
Coquina D & E**

**Speakers:** [Andre Smith](#)

**Prize Sessions**

5:30 PM - 7:30 PM

**Tuesday Night District & Vendor Networking Social  
Vendor Hall**

An opportunity for district staff members to network together and socialize with one another. In addition this is a time for vendors representatives to talk to district staff members in an informal setting. Pasta, Finger foods, water, sodas, and tea provided. Additional beverages available for purchase.

Wednesday, June 27, 2018

**Free Food & Drink**

7:00 AM - 8:00 AM

**Wed. Morning Coffee & Pastries**

Coffee, juice, fruit, and various pastries will be available for FAMIS attendees, free of charge.

**Learning Session**

8:00 AM - 12:00 PM

**Break out sessions (Wed Morning)**

Break out Sessions provided by DOE, District Staff & Vendors

8:00 AM - 9:00 AM

**DOE Access Management  
Coquina C**

**Speakers:** [Ted Duncan](#)

8:00 AM - 11:59 AM	<p><b>DOE Workshop Sessions (Separate Registration REQUIRED see description)</b>  <b>Coquina H</b></p> <p>DOE staff will have a room dedicated for working with district staff one-on-one or in small groups on any issues or concerns. Registration for this is required for preparation and scheduling purposes. Please use this link to the form to register for this session: <a href="https://goo.gl/forms/04JKTbkpW82fZv132">https://goo.gl/forms/04JKTbkpW82fZv132</a></p>	🔒
8:00 AM - 9:00 AM	<p><b>Emergency Management Response Planning. Keep everyone informed before, during and after any event.</b>  <b>Coquina F</b></p> <p>Over 55 million elementary and secondary school students trust our educational institutions to provide a safe and secure learning environment. One of the most critical systems for any school or business to have is a powerful Emergency Notification System. Preparation, planning, and communication is the key to any emergency. Designed for the campus' and other distributed environments, Emergency Notification system allows you to: *Meet first responders by alerting office staff when an emergency has occurred *Page key staff in the event of a medical, security or other emergencies that requires a rapid response *Page alerts to an entire building to announce lock downs or predefined codes *Perform screen pop notifications on computers across the whole organization for those that might be out of earshot Why should you attend? *Walk away with actionable ideas to improve school safety *Gain a better understanding of School Response to Active Threats *Learn how to save money by maximizing your investments in technology</p>	
8:00 AM - 9:00 AM	<p><b>FLEID Fundamentals Workshop</b>  <b>Coquina D</b></p> <p><b>Speakers:</b> <a href="#">Shawna Reid</a></p>	
8:00 AM - 9:00 AM	<p><b>Student Database Updates</b>  <b>Coquina E</b></p> <p><b>Speakers:</b> <a href="#">Teresa Sancho</a></p>	
8:00 AM - 9:00 AM	<p><b>The Future of the Digital Space in Education</b>  <b>Coquina G</b></p>	

**Vendors**

8:00 AM - 5:00 PM	<p><b>Vendor Hall - Wednesday</b></p> <p>Vendor Hall opens Wednesday at 8am. Vendor hall remains open till 5pm. Vendors are encouraged to eat lunch with attendees at noon. Lunch is included.</p>	🔒
-------------------	--	---

**Learning Session**

9:05 AM - 10:05 AM	<p><b>An Open Networking Talk</b>  <b>Coquina A &amp; B</b></p> <p>Come join an interactive discussion on how we have helped districts save money – Clay, Osceola, Escambia, Santa Rosa, on campus and wireless networking and why Open Networking is becoming more necessary.</p>	
9:05 AM - 10:05 AM	<p><b>CAPE</b>  <b>Coquina E</b></p> <p><b>Speakers:</b> <a href="#">Tara Goodman</a></p>	
9:05 AM - 10:05 AM	<p><b>Cyber Security</b>  <b>Coquina C</b></p> <p><b>Speakers:</b> <a href="#">Kevin Younger</a>,  <a href="#">Tommy Allen</a></p>	
9:05 AM - 10:05 AM	<p><b>FTE Recalibration Workshop</b>  <b>Coquina D</b></p> <p><b>Speakers:</b> <a href="#">Kendra Jahnke</a></p>	
9:05 AM - 10:05 AM	<p><b>New Student Online Enrollment (NSOE)</b>  <b>Coquina G</b></p> <p>Ready to automate the enrollment process, eliminate duplicate data entry, and provide a Better Experience for your families during the enrollment process? Come to this interactive DEMO, and Q and A session to learn how to take the next steps and implement NSOE in your district. This integrated Skyward solution will save valuable time and resources.</p>	

9:05 AM - 10:05 AM	<p><b>Protecting Against Cyber Security Threats with Microsoft M365</b>  <b>Coquina F</b></p> <p>Identity. Devices. Data. Are you secure? Join our specialists in listing the current ongoing cyber-attack trends targeting Education. Learn how to have a strategic plan in place to avoid financial and operational impact. We'll be reviewing the latest technology included in the powerful suite of Microsoft security tools for Education, and how technology you may already own can be utilized to reduce your risk.</p>
10:10 AM - 11:10 AM	<p><b>ACT/SAT/FASTER - CANCELLED</b>  <b>Coquina D</b></p> <p>This session has been cancelled because of a family emergency. Sorry for the inconvenience</p> <p><b>Speakers:</b> <a href="#">Mike Wade</a></p>
10:10 AM - 11:10 AM	<p><b>Applicant Recruiting in an Integrated ERP/HCM System</b>  <b>Coquina G</b></p> <p>Many times the first impressions an employment candidate will have is the web-based recruiting process. Come learn how automating your recruiting process can reduce workload when tied to a broader ERP workflow in an integrated ERP/HCM application.</p>
10:10 AM - 11:10 AM	<p><b>Cyber Security (Repeat)</b>  <b>Coquina C</b></p> <p><b>Speakers:</b> <a href="#">Kevin Younger</a>,  <a href="#">Tommy Allen</a></p>
10:10 AM - 11:10 AM	<p><b>Federal Reporting</b>  <b>Coquina E</b></p> <p><b>Speakers:</b> <a href="#">Cali Stringer</a></p>
10:10 AM - 11:10 AM	<p><b>Join the VIRTUAL REALITY (VR) Explosion in K-12 with Lenovo VR Classroom Kits</b>  <b>Coquina F</b></p> <p>Virtual Reality (VR) technology and accessibility has exploded and is now the #1 technology in K-12 education as technology and content evolve to provide even more amazing learning opportunities. Come and learn about the first, all-in-one, ergonomically optimized, high-performance virtual reality classroom system including the tools, content, and processes to provide effective, hands-on learning that takes students places they've never gone before! • Lead students to the depths of the ocean, through the vastness of space, and on countless other learning experiences – all without leaving the classroom • Teach and learn with fewer distractions • Any subject in any context – any time</p>
10:10 AM - 10:40 AM	<p><b>Pure Storage</b>  <b>Coquina A &amp; B</b></p>
10:40 AM - 11:10 AM	<p><b>Private Network Advantages</b>  <b>Coquina A &amp; B</b></p> <p>How today's Optical Networks can transform the District's workplace and serve the increasing information demands of the Students, Educators and Staff.</p>
11:15 AM - 12:15 PM	<p><b>DQ2</b>  <b>Coquina C</b></p> <p><b>Speakers:</b> <a href="#">Cole Sousa</a></p>
11:15 AM - 12:15 PM	<p><b>FETPIP</b>  <b>Coquina F</b></p> <p><b>Speakers:</b> <a href="#">Kendra Jahnke</a></p>
11:15 AM - 12:15 PM	<p><b>Focusing on Partnerships</b>  <b>Coquina G</b></p> <p>This session will explore partnerships Focus has developed with OneRoster and the DOH. The DOH integration allows the user to import the Health 680 form data directly into Focus. The OneRoster API provides the teachers options when using the Focus gradebook with curriculum vendors and educational tools supported by OneRoster. This session will also discuss the Focus roadmap for future API integrations.</p>
11:15 AM - 12:15 PM	<p><b>Staff Database Updates</b>  <b>Coquina A &amp; B</b></p> <p><b>Speakers:</b> <a href="#">Sonia Bridges</a></p>

Free Food & Drink

12:15 PM - 1:15 PM **Wednesday Lunch**  
 FAMIS will be offering a buffet lunch as part of the conference. Please RSVP if you are interested in eating lunch on us.

**Learning Session**

1:20 PM - 2:20 PM **Class Size**  
**Coquina F**  
 Speakers: [Kenneth Dukes](#)

1:20 PM - 4:00 PM **DOE Workshop Sessions (Separate Registration REQUIRED see description)**  
**Coquina H**  
 DOE staff will have a room dedicated for working with district staff one-on-one or in small groups on any issues or concerns. Registration for this is required for preparation and scheduling purposes. Please use this link to the form to register for this session: <https://goo.gl/forms/04JKTBkpW82Fzv132>

1:20 PM - 2:20 PM **Federal Reporting**  
**Coquina C**  
 Speakers: [Cali Stringer](#)

1:20 PM - 1:50 PM **More than just security: how a schools infrastructure investment can benefit their students**  
**Coquina G**  
 As schools look to refine and improve how digital education takes place, Maxis360 pursues a unique idea for how one Florida school district can understand, shape, and drive student behavior & results with the use of their firewall and BI tool.

1:20 PM - 2:20 PM **Virtual Updates and More!**  
**Coquina A & B**  
 Speakers: [Sandy Eggers](#)

1:50 PM - 2:20 PM **Transitioning K-12 Administration Utilizing Technology**  
**Coquina G**  
 Do you want to eliminate data silos, improve data quality will reducing data entry, train staff on fewer systems and lower the cost to support your growing data needs? You can with TEAMS – the Total Education Administration Management Solution. TEAMS is an enterprise Financial Management, Human Resource Management and Student Information System for all of your data needs.

2:00 PM - 5:00 PM **Break out Session (Wed Afternoon)**  
 Break out Sessions provided by DOE, District Staff & Vendors

**Learning Session**

2:25 PM - 3:25 PM **Anatomy of a Data Breach: Lessons Learned**  
**Coquina G**  
 This presentation will discuss the data breach by a third party provider (FLVS) and the lessons that were learned as Leon County responded to the breach. The presentation will include the discovery of the breach, our incident response, working with our cyber security insurance provider, lessons learned along the way, and reporting requirements of Florida Statute 501.171.  
 Speakers: [Bill Nimmons](#)

2:25 PM - 2:55 PM **Clear Touch Interactive**  
**Coquina F**  
 A quick overview of the total Clear Touch Interactive solution, hardware and software suite.

2:25 PM - 3:25 PM **FLEID**  
**Coquina D**  
 Speakers: [Shawna Reid](#)

2:25 PM - 3:25 PM **Secure Digital Backpack for Education**  
**Coquina A & B**  
 • Securely Support BYOD to Fit Student and Faculty Workstyles Securely enable BYO and Simplify access to networks for student and faculty devices. • Deliver school applications, resources and desktops to any user through a single workspace. • Configure email, VPN, Wifi and more on any device while improving network security. • Deliver a Powerful, Consistent

**Free Food & Drink**

8:00 AM - 9:00 AM **Thursday Morning Coffee & Pastries** 🔒  
 Coffee, juice, fruit, and various pastries will be available for FAMIS attendees, free of charge.

**Vendors**

8:00 AM - 11:59 AM **Vendor Hall - Thursday** — ◆  
 Vendor Hall opens Thursday at 8am. Vendor hall remains open till noon. Thursday is optional for vendors. However most attendees stick around for the prizes at noon, so this is a good time to visit with attendees.

8:30 AM - 12:29 PM **Break Out Sessions (Thurs Morning)** — ◆

**Learning Session**

8:30 AM - 9:30 AM **Critical Event Tools**  
**Coquina H**  
 As districts and schools evaluate their critical events response, the need for accurate, up-to-date student information is becoming more apparent. Student information is a vital component not only during the event but also post-event student/parent reunification. We will discuss some possible solutions.  
**Speakers:** [Candy Garcia](#), [Doug Dillard](#), [Jim Dunn](#)

8:30 AM - 9:30 AM **DQ2**  
**Coquina C**  
**Speakers:** [Cole Sousa](#)

8:30 AM - 9:00 AM **It's a good time to be a bad guy**  
**Coquina G**  
 A glimpse into the current threat landscape; recent breaches, underground markets, and more. As well as a look at how the individual can secure their data and protect the organizations they are involved with

8:30 AM - 9:30 AM **Legislative Updates/FSSAT/ESSA (REPEAT)**  
**Coquina D & E**  
**Speakers:** [Andre Smith](#)

8:30 AM - 9:30 AM **Online Applications**  
**Coquina F**  
 What are the benefits and pitfalls with online communication processes? Who should be involved in the decision making process? How do you know when you have it right? Information from a county perspective as they follow this path.  
**Speakers:** [Candy Derbecker](#)

8:30 AM - 9:30 AM **SESIR**  
**Coquina A & B**  
**Speakers:** [Julie Collins](#)

9:35 AM - 10:05 AM **Capture Real-Time Data on Every Device**  
**Coquina F**  
 School districts are struggling to identify and detect digital tools being used by their staff and students that they may not know about. These "rogue" apps can appear harmless, but they may present an extreme risk for student data privacy compliance when they go unnoticed. CatchOn is a powerful administrative tool that provides district technology leaders with real-time data about app use, implementation fidelity, cost, and ROI. Join Jeremy Bunkley, the Director of Information Technology Services at the School District of Clay County, as he discusses how his school district is leveraging the solution to identify which apps are being used, discover new trending apps, and see 100 percent of user activity on all iOS, Mac, Windows, and Chrome devices.

**Learning Session**

9:35 AM - 10:35 AM **English Language Learners**  
**Coquina C**

ELL data issues and challenges.

9:35 AM - 10:35 AM

**Human Resources, Teacher Certification, and Staff Reporting.**  
**Coquina G**

This session will demonstrate the overlapping data elements between Focus HR, SIS users, teacher certification and staff reporting. Focus will discuss its methodology behind assisting districts with in/out of field compliance. This session will address contracted/charter employees as well as district-funded staff. Alerts and verification for out of field teachers will be shared along with the State Reporting component in both Student and Staff Reporting to DOE.

9:35 AM - 10:35 AM

**Interoperability: A Re-Volusia-nary Approach to Driving the Impact of Data**  
**Coquina A & B**

Interoperability fosters a healthy tech ecosystem & learning environment • Connected systems allow data to flow out of all systems, platforms, and applications your district uses • Access to data in a single, secure platform gives teachers a complete view of student progress • Combining ed-tech solutions drives evidence-backed learning decisions and student success • Get Back to Why -why this is a priority for Volusia County Schools

**Speakers:** [Matt Houston](#),  
[Jamie Martinez](#),  
[Sean Casey](#)

10:40 AM - 11:10 AM

**The best learning happens when everyone feels safe**  
**Coquina F**

With a growing network of more than 300M cameras globally, there is a pressing need for IT organizations to transform their surveillance and security environment to address security, budget and infrastructure challenges faced by educational institutions. Modern surveillance solutions help ensure staff and student safety, deter violence and theft, minimize vandalism and help to easily investigate incidents. With higher definition sensors, longer retention time requirements, and new demands for AI and machine learning in surveillance, the industry is headed to the datacenter. Are you ready?

**Learning Session**

10:40 AM - 11:40 AM

**FERPA**  
**Coquina A & B**

**Speakers:** [Riley Land](#)

10:40 AM - 11:40 AM

**Maximize your WAN with SD-WAN by VeloCloud**  
**Coquina G**

• What is SD-WAN? Technology Overview • Why is it changing the network game? Cloud Applications • Quality of Services • VMware's NSX SD-WAN by VeloCloud Solution VeloCloud Components Edge • Gateway • Orchestrator • Benefits of SD-WAN Network Agility • Ease of Deployment • Central Management and Control • Cost Reduction • Orchestrator Demo

10:40 AM - 11:40 AM

**Texting and Social Media Are You in Compliance with Public Records Law?**  
**Coquina C**

The City of Tallahassee recently was unable to respond to a Public Records request for texts from a city employee. This highlighted the need for Leon County Schools (LCS) to address this in our policy. LCS is in the process of developing policy concerning texting and Social Media in regards to Public Records law. Discover what makes K-12 different and the challenges we face in trying to effectively address Public Records Law in regards to the technology being used in school districts.

**Speakers:** [Bill Nimmons](#)

**Prize Sessions**

12:00 PM - 1:00 PM

**Prizes/Lunch (Thursday)**  
**Coquina D & E**

School Computing Experience Enable and simplify the delivery of online and digital course content while drastically improving the end user experience. • Deliver demanding STEAM/STEM applications to any device. • Enable an Anytime, Anywhere, Any Device Computer Lab in the Cloud Provide 24/7 access to computer labs from any student or faculty device. • Reduce costs while improving and modernizing lab access to meet student needs. • Maximize Operational Efficiencies in a Budget-Constrained Environment Simplify classroom and school-wide device, application, email and content management. • Support the rapid deployment and provisioning of desktops and applications to meet student needs. • Customize and enforce security and privacy policy by site, role (student/teacher/admin), ownership model, or location.

2:25 PM - 3:25 PM

**Student Database Updates**  
**Coquina E**

**Speakers:** [Teresa Sancho](#)

2:25 PM - 3:25 PM

**Student Transportation**  
**Coquina C**

**Speakers:** [Lee Davis](#)

2:55 PM - 3:25 PM

**Mobile Applications Simplifying Student Data Management**  
**Coquina F**

Mobile devices in schools aren't just for students in the classroom anymore. Educators are moving toward mobile for varied uses – including student data management. Discover how Edupoint's role-based mobile apps for Synergy® Education Platform help administrators, teachers, health staff, special education teams, parents, and students get things done when and where it's most convenient for them. Synergy mobile solutions are native to iOS and Android, providing the nimble performance and superior user experience required for everyday use. So administrators can quickly access the information they need to interact more effectively with students around campus, teachers can visually monitor student progress wherever they happen to be, parents can see the latest information about their children in real time, students can check grades, take assessments and upload their work – and much, much more.

3:35 PM - 4:35 PM

**Accurate Data Doesn't Happen in a Silo - The Importance of Collaboration Between ESE Staff and MIS S**  
**Coquina D**

Both ESE and MIS staff play a vital role ensuring valid and accurate data are submitted to FDOE. This session will focus on data quality issues for exceptional student data reporting and best practices to address some of those issues. Important 2018-19 survey dates, key formats and data elements will also be presented.

**Speakers:** [Heidi Metcalf](#),  
[Cyndi Holleman](#)

3:35 PM - 4:35 PM

**FEFP**  
**Coquina A & B**

**Speakers:** [Lee Davis](#)

3:35 PM - 4:35 PM

**FTE Recalibration**  
**Coquina E**

**Speakers:** [Kendra Jahnke](#)

3:35 PM - 4:05 PM

**Get Stakeholders on the Same Page**  
**Coquina F**

Simplify the communication loop between Parents, Students, Teachers and Administrators with one source data management. See how the JCampus Classroom makes it easy for teachers to create, parents and students to receive and Administrators to monitor assignments, grades, attachments, notes, calendars and more!

3:35 PM - 4:35 PM

**Shortened Survey Windows - Survival Tactics**  
**Coquina C**

**Speakers:** [Chris Piland](#)

3:35 PM - 4:35 PM

**Student Round Table**  
**Coquina G**

Join your peers in this interactive and informative discussion of common problems we all face as Florida school districts. Share your ideas and solutions. With no set agenda, this roundtable allows attendees to steer the topics related to student data.
