CHALKBOARD V3.0

Manatee County Schools Samsung Panel Project

Dave Zeller
Manatee County School District

Daniel Rodriguez
United Data Technologies

UDT

WHY UDT CONNECT DISPLAY SOLUTIONS

- **Brand/Quality**
  - Manufactured by Samsung from the glass to the final product
- **Broad Portfolio**
  - Samsung's versatility and technical prowess can be seen through the entire line of its indoor and outdoor display solutions that can adapt and meet the various needs of our district.
- **Lower TCO**
  - Reduce TCO by eliminating the need for a separate media player and PC, thanks to the embedded SSSP (Samsung SMART Signage Platform) or Tizen OS (latest SoC platform)
- **Reliability/Durability**
  - 24/7 runtimes; IP5X rated displays
  - 3-year onsite warranty
