

WEBVTT

1

00:09:27.240 --> 00:09:37.740

famisflorida@gmail.com: Okay, everybody well we're going to get ready to get started here with our closing session. All of you have been in these virtual sessions for the last two days.

2

00:09:47.010 --> 00:09:47.730

famisflorida@gmail.com: We haven't

3

00:09:49.620 --> 00:10:02.910

famisflorida@gmail.com: And we had to put together rather quickly and really just a huge, huge ginormous. Thank you to all of the attendees for showing up for all of the presenters.

4

00:10:03.240 --> 00:10:17.490

famisflorida@gmail.com: Who you know at the last minute, essentially, it usually takes us almost a year to plan a conference and in about half that time we were able to you know get these presenters to be willing to

5

00:10:18.510 --> 00:10:29.220

famisflorida@gmail.com: Get present, but in a in a format that maybe not so comfortable and as a presenter myself. I know that it's it's often hard to presented just a screen, you don't get to see the people you don't get to interact

6

00:10:29.520 --> 00:10:38.100

famisflorida@gmail.com: So thank you to all the presenters, the state the vendors, the vendors really stepped up this year. And again, you don't get to have

7

00:10:38.580 --> 00:10:45.810

famisflorida@gmail.com: A face meeting with you yet they still supported this group in this conference. So I personally just wanted to say.

8

00:10:46.800 --> 00:10:51.090

famisflorida@gmail.com: Thank you to everyone, because from what we're hearing in the comments.

9

00:10:51.570 --> 00:11:05.070

famisflorida@gmail.com: You guys were able to learn a lot. It was still very useful. It saved your district money and we're even hearing that even when we go back to face to face that we might want to see an element of virtual in our future conferences.

10

00:11:06.300 --> 00:11:21.300

famisflorida@gmail.com: So I think that's something that we learned from this experience. And so, Bill, you're on the call with me. Anything else to add is as we're wrapping up this year's virtual conference as far as what worked, what didn't work. What we could even take with us to our in person conference.

11

00:11:22.170 --> 00:11:28.050

Bill Nimmons: Well, actually, I was very pleased. I attended many of the sessions and if I didn't attend. I was a facilitator.

12

00:11:28.590 --> 00:11:35.610

Bill Nimmons: And I thought everyone did a great job. I learned a lot. I do like the fact that we can capture this so

13

00:11:36.030 --> 00:11:41.940

Bill Nimmons: For example, I know one session that I got distracted by something at work. I had to attend to. But now I can go back and watch it.

14

00:11:42.510 --> 00:11:52.440

Bill Nimmons: And so I think that's definitely something we have to look at how we do that in the future for those who can't make the trip. There's still a lot of value, of course, to getting together meeting, but we understand everybody can't make it.

15

00:11:52.860 --> 00:11:55.110

Bill Nimmons: And you know next year is still a question.

16

00:11:55.710 --> 00:12:04.920

Bill Nimmons: About what's going to happen in travel budgets, but hopefully we come out of this thing, this year and we can do the slides that three boys next year and have a good time.

17

00:12:05.730 --> 00:12:11.910

famisflorida@gmail.com: Yeah, that's exactly right. And while we're on the topic of being able to watch it. I just wanted to show you guys a preview. I know we haven't

18

00:12:12.150 --> 00:12:23.580

famisflorida@gmail.com: had the time to post the sessions, but I do want to show you what that's going to look like. So what is the coolest about the format, we're using is that when you do go back and watch the session.

19

00:12:23.820 --> 00:12:29.700

famisflorida@gmail.com: You'll notice on the right hand side, there's a transcription. So for just a moment. I'm going to push play here.

20

00:12:37.230 --> 00:12:43.320

famisflorida@gmail.com: So you can see that as she's talking. This is being transcribed. And what I really love about this.

21

00:12:43.710 --> 00:12:52.950

famisflorida@gmail.com: So if you sat in one of these sessions and you're like, man, Kendra was talking about that so big. I don't remember what she says. But I don't want to sit through the our presentation.

22

00:12:53.190 --> 00:13:12.300

famisflorida@gmail.com: You can come here and type in what you're looking for. And if it is present in the transcript, it will show it. And of course I had to pick something that wasn't. But if its present in the transcript, it will show it. So I really love as she's talking. You'll notice this is going to move

23

00:13:26.010 --> 00:13:34.620

famisflorida@gmail.com: So, really cool. I'm really excited to get these out to you guys. You can also see the chat messages that appeared on the side. During the meeting.

24

00:13:35.160 --> 00:13:39.870

famisflorida@gmail.com: So you really get to revisit that meeting and search through

25

00:13:40.620 --> 00:13:54.300

famisflorida@gmail.com: What you were looking for. If you were in a specific spot that you didn't want to have to revisit. So look forward to those recordings being made available in the next two weeks with the holiday coming up.

26

00:13:54.600 --> 00:14:03.810

famisflorida@gmail.com: I'm not sure we can get them all posted this week, but we can definitely get them posted in the next two weeks. So pretty excited about the ability there and again

27

00:14:04.620 --> 00:14:17.730

famisflorida@gmail.com: A big thank you to everyone who helped us and made it possible. So when those recordings are available, they will be posted on our site famous online.org

28

00:14:18.120 --> 00:14:30.120

famisflorida@gmail.com: And if we are a little earlier a little late with posting them. We can certainly email all of the conference participants and let them know that, hey, the recordings are up and available.

29

00:14:30.690 --> 00:14:47.130

famisflorida@gmail.com: Right now all of the presentations that I've received are posted a crowd compass. You guys can access the ones. Now guys, I'm going to need a little help with this screen here. So usually every year. The in person board meeting, we show you know the board that's incoming for the

30

00:14:49.110 --> 00:15:01.860

famisflorida@gmail.com: School year and Doug or bill or Rick or somebody tell me, do we need to do anything officially with this, or are we just sharing this with the group is when you guys can respond

31

00:15:02.940 --> 00:15:17.670

Doug Dillard: Yes. Yes, ma'am. You do. And I take it that you are presenting this as our slate of nominees for next year. And so I'd like to make a motion that we accept this is our slate of nominees. If somebody wants to second that

32

00:15:18.360 --> 00:15:19.710

Famis Florida2: I'll second. At this my

33

00:15:21.090 --> 00:15:22.050

famisflorida@gmail.com: My second

34

00:15:23.490 --> 00:15:29.940

Doug Dillard: Right, Katie. And then you could call for vote on how we want this virtually but um if anyone has opposition. I guess I put in the chat.

35

00:15:31.440 --> 00:15:44.340

famisflorida@gmail.com: Yes, I think, rather than accepting all together. We do anyone with opposition to this being the board moving forward for the 20 year please a class in the chat. Boxing Day or no.

36

00:15:46.740 --> 00:15:51.300

famisflorida@gmail.com: Okay, I'm monitoring the chat. I don't see anything yet. Do you guys see anything.

37

00:15:54.900 --> 00:15:58.140

Famis Florida2: I say I see a thing it says Katie fully should be chair for the rest of her life.

38

00:16:02.190 --> 00:16:04.950

Famis Florida2: Right, Aaron. Except not for

39

00:16:09.690 --> 00:16:11.940

famisflorida@gmail.com: What I'm sorry, I didn't hear any of it.

40

00:16:13.470 --> 00:16:14.130

Famis Florida2: Yeah you did.

41

00:16:15.360 --> 00:16:17.400

Doug Dillard: You now have perpetual chair.

42

00:16:18.750 --> 00:16:20.460

famisflorida@gmail.com: Okay, so we're gonna

43

00:16:20.550 --> 00:16:23.220

Doug Dillard: Oh, maybe there's a typo on there.

44

00:16:23.940 --> 00:16:27.990

Doug Dillard: Can be Garcia was inadvertently left off. He is actually on their member

45

00:16:28.020 --> 00:16:31.560

famisflorida@gmail.com: Now, oh yeah, no, no.

46

00:16:37.320 --> 00:16:41.670

famisflorida@gmail.com: Alright guys, so I feel like we're good with this. I know that.

47

00:16:47.970 --> 00:16:52.050

famisflorida@gmail.com: I'm pretty sure they want to hear about prizes. Right, so

48

00:16:53.520 --> 00:17:00.300

famisflorida@gmail.com: So we can get to the prizes for them so surveys. You guys have been doing a great job filling out the surveys and each session.

49

00:17:00.990 --> 00:17:07.890

famisflorida@gmail.com: I have released the end of conference survey. So as we usually do, if you fill out those end of conference surveys

50

00:17:08.160 --> 00:17:18.660

famisflorida@gmail.com: You will be entered to win amazon gift cards, I believe we have for Amazon gift cards to give away based on the surveys. And so if you want to find where the survey is

51

00:17:18.960 --> 00:17:23.490

famisflorida@gmail.com: The end of conference survey is on the left hand side of your screen in the

52

00:17:24.090 --> 00:17:34.500

famisflorida@gmail.com: virtual conference, it's right there at the top. If you don't see it, you're just gonna have to refresh your screen because I've recently added it. So if you've had this free sitting there for a while. You're just going to need to

53

00:17:34.800 --> 00:17:45.780

famisflorida@gmail.com: You know, Control Shift our to do that. Good refresh. And if you have not taken the individual assessment session surveys, you can find those inside each session.

54

00:17:46.380 --> 00:17:51.960

famisflorida@gmail.com: Description area and you can take those, but the end of conference survey is really important.

55

00:17:52.230 --> 00:18:02.250

famisflorida@gmail.com: And like we tell you guys every year. The reason we do this conference is for you. We do the conference to bring this community together. Try to get educated together.

56

00:18:02.520 --> 00:18:12.480

famisflorida@gmail.com: And get to ask those questions to the state. So the survey responses we read every single one of them, and we do make the changes you request because

57

00:18:12.960 --> 00:18:19.350

famisflorida@gmail.com: If we're not listening to our group, then why are we doing this right. So please fill those out, we will be reviewing them.

58

00:18:20.310 --> 00:18:30.690

famisflorida@gmail.com: As Bill mentioned, we hope to be in person next year and we hope to be seeing you all at the curry Royale in Orlando, we

59

00:18:31.590 --> 00:18:39.720

famisflorida@gmail.com: Do mentioned in the opening session that we were able to avoid a financial penalty by signing up for an additional year so

60

00:18:40.410 --> 00:18:48.900

famisflorida@gmail.com: We hope to see you guys there if for some reason we can't see you there. Then we will be notifying you guys through those normal channels that we

61

00:18:49.350 --> 00:18:53.970

famisflorida@gmail.com: Always do so. Hope to see you guys in person. If we can't. We will adapt.

62

00:18:54.660 --> 00:19:03.210

famisflorida@gmail.com: So prizes. Now, we don't have as many prizes, as we did last year and I heard in the feedback. And I think the board will agree.

63

00:19:03.540 --> 00:19:13.590

famisflorida@gmail.com: That we had too many prizes at the end. Last year we were just in there for hours. It seemed like um and the fact that we're mailing all of the prizes this year.

64

00:19:14.220 --> 00:19:18.660

famisflorida@gmail.com: We were slightly financially constrained to be able to

65

00:19:19.290 --> 00:19:29.700

famisflorida@gmail.com: Mail a ton of prizes. So we have a few prizes to give out this year, hopefully we'll see you next year and we can bring those big TVs and all those things that we actually can't mail.

66

00:19:30.090 --> 00:19:40.110

famisflorida@gmail.com: Um, I don't know the dates for next year. Yet fellow board members. Is anybody here know Julie, if you're on the call, or do we have dates for next year. Yet I don't even know.

67

00:19:42.870 --> 00:19:43.410

famisflorida@gmail.com: Anybody

68

00:19:45.210 --> 00:19:50.160

Bill Nimmons: We should have. I just don't remember what they are the contract would be said Julie would know.

69

00:19:50.250 --> 00:19:54.090

famisflorida@gmail.com: Oh yeah, okay, we do have dates. So we'll get those out to you. I'm sorry.

70

00:19:54.390 --> 00:20:05.970

famisflorida@gmail.com: I'm just making it through this conference. Honestly, I hadn't even thought about the dates for next year. So we'll get those out to you guys, it's going to be around this time frame. I'm assuming it's normally is. But we'll send those out to you.

71

00:20:06.540 --> 00:20:13.710

famisflorida@gmail.com: There. Okay, so everyone seemed to like the spin to win. So I'm going to actually

72

00:20:13.740 --> 00:20:14.580

famisflorida@gmail.com: Minimize

73

00:20:14.700 --> 00:20:15.600

famisflorida@gmail.com: The prize.

74

00:20:16.230 --> 00:20:17.550

famisflorida@gmail.com: The PowerPoint and I'm going to

75

00:20:17.550 --> 00:20:18.750

famisflorida@gmail.com: Open the spin to win.

76

00:20:19.440 --> 00:20:26.400

James Goines: Okay, yes, from what I'm seeing real quick. It looks like June 26 through July one.

77

00:20:27.030 --> 00:20:32.760

famisflorida@gmail.com: James coming in clutch here with the date so June 26, she said.

78

00:20:33.000 --> 00:20:35.220

James Goines: June 26 through July one.

79

00:20:36.000 --> 00:20:37.920

famisflorida@gmail.com: Hey, mark it on your calendar.

80

00:20:38.310 --> 00:20:40.740

Julie: I can, I can get my microphone off mute.

81

00:20:43.980 --> 00:20:44.340

Julie: Okay.

82

00:20:45.180 --> 00:20:51.870

famisflorida@gmail.com: Thank you, and James. So this is yet another reason why you can't retire because we need you. We need you here.

83

00:20:52.320 --> 00:20:53.280
