	Two types of accounts: Users (Teacher/parent) and Visitor (student). Username that is required to create a visitor acct. A unique code created for user account for each game, encourages creating a username that doesn't reveal visitor's identity. PII info encrypted at rest/transit. FERPA/COPPA compliant. Doesn't disclose student PII to 3rd parties, doesn't use targeted advertising and never sells or rents PII to marketers/advertisers. Deletes all data 18 months following deletion of an account. Collects course GPS data (city-level) for user accounts. Does not store/track device location without your permission.
