

# **Virtual Reporting – Updates and More!**

**Sandy Eggers and Stephen Bochnia**

**June 12, 2024**

# Still on the TOP!

- **2022-23 Survey 4 Final**
- 45,000 Full Time Students
- ~511,312 students successfully completed over 900,371 courses

# Florida's Public Virtual Education Options 2023-24

# Since We Last Met

- School districts are only required to offer one virtual option; full-time and part-time for K-12 students.
- Repeal of the online course requirement for graduation.
- Virtual programs are still limited to the 180 day school year (except for course completion or credit recovery).

# Virtual Instruction Program (VIP) Providers

- 8 current VIPs, K-12, Full/Part-Time
- School Code 7001 + Unique Provider Code
- Officially approved courses found on FDOE's website
- <http://www.fldoe.org/schools/school-choice/virtual-edu/provider-resources/approved-providers/>

# VIP Provider Codes

- 322 - ACCEL Schools East
- 313 - Connections Education of Florida, LLC
- 320 - Graduation Alliance
- 309 - Imagine Learning
- 302 - K12 Florida, LLC
- 311 - Mater Virtual Academy
- 323 - Optima Academy Online
- 308 - Somerset Virtual Academy

# Online Course Providers (OCP)

- 8 OCPs, K-12, Part-Time only
- School Code 7006 + Unique Provider Code
- Officially approved courses found on FDOE's website
- <http://www.fldoe.org/schools/school-choice/virtual-edu/provider-resources/approved-providers/>

# OCP Provider Codes

- 318 - Accelerate Education
- 317 - EdisonLearning
- 314 - Edmentum/Apex Learning
- 324 - eDynamic Learning ULC
- 315 - Founders Education LLC
- 321 - Grade Results, Inc.
- 319 - My Virtual Academy
- 316 - National Highway Safety Administration

# VIP & Online Course Provider Contracts

- If a district contracts with an approved provider to operate its virtual instruction program, the FEFP funding will flow to the school district. The school district and provider will determine in their contract how much of the funding per student completion the provider will receive.
- **District MIS** should have copies of all virtual contracts (VIP and Course Provider) for: **Schools 7001, 7004, 7006, 7023.**

# District Transfers

- If a student in a district's VIP moves to another district before successfully completing the virtual course(s):
  - Student may remain enrolled in the first district's VIP, and the first district will receive funding if the student successfully completes the course(s).
- Districts must report district virtual students in all applicable student information database formats and report in all survey periods as other district students.

# Multiple District Reporting

- For courses that students take from different districts, the **district of instruction reports the FTE** and each applicable database format required for funding.
- Students should **take assessments at their home district.**

# FTE Enrollment

- If a student only has enrollment reported in one survey (Survey 2 or Survey 3), the FTE will be recalibrated to 0.5 FTE, including FTE reported in Survey 1 and Survey 4.
- A student who does not complete a virtual course by the end of the regular school year, and the course was reported during Survey 2 or 3, may be reported for funding as long as the course is completed and reported no later than the deadline for amending the final student enrollment survey for that fiscal year. If a student was not enrolled and reported in the course during Survey 2 or 3, the student would need to complete the course by the end of the 180-day school year.

# FTE Enrollment

- Enrollment in a virtual credit recovery course is limited to a student who has unsuccessfully completed a traditional or virtual course during the regular school year and must re-take the course in order to be eligible to graduate with the student's cohort. Credit recovery that is completed after the close of the Survey 4 amendment window must be reported in Survey 4 of the following year.

# FTE Reporting

- Each student's appropriate Course Grade Code should be reported in the indicated surveys. If a student is enrolled in a course but has not yet completed the course, the student should be reported as "In Progress." If a student withdrew from the course before completion, the student should be reported as "Withdrew Passing" or "Withdrew Failing."

# FTE Reporting

- FTE > 0 may be reported for students who successfully complete virtual courses. Full-Time district programs may report FTE students with FEFP program numbers 101-103, 111-113, 130, 254,255, or 300, as appropriate. Part-Time district programs may report students with basis FEFP Program Numbers (101-103 or 111-113) and Program 300. For Surveys 2 and 3, FTE Reported, Course should = 0.0000.
- Survey 4 :
  - FTE > 0000 if successfully completed course
  - FTE = 0000 if unsuccessfully completed course

# FTE Reporting

- The amount of FTE reported for the successful completion should be reflective of the student's schedule. Report full-year courses with 1/6 FTE (0.1667) and semester courses with 1/12 FTE (0.0834). Grades K-8 may report minutes and FTE that would be comparable in the brick-and-mortar course.

# Reporting Home School Students

- School of Enrollment = N998
- School of Instruction = Virtual School #
  - VIP (7001 or 7023)
  - District Virtual Course Offerings (7006)
  - District Franchise FLVS (7004)
  - FLVS Flex (District 71, School 0500, 0600, 0700)
- Districts may not limit the number of courses a home school student takes, nor can they dis-enroll a student from their home school status.

# Reporting Private School Students

- School of Enrollment = N999
- School of Instruction = Virtual School #
  - VIP (7001 or 7023)
  - District Virtual Course Offerings (7006)
  - District Franchise FLVS (7004)
  - FLVS Flex (District 71, School 0500, 0600, 0700)

# Scholarship Programs

- Hope Scholarship – 2 virtual courses/year
- Florida Tax Credit Scholarship – Private pay; not reported for FTE funding
- Family Empowerment Scholarship – Private pay; not reported for FTE funding

# FTE Funding

- Virtual courses are funded on successful course completion (grade D or better) or credits earned. This means a student must pass and/or earn credit for a course or master curriculum required for student progression to the next grade level.
- If a student successfully completes more than six courses, the FTE associated with all of the courses should be reported. For a student in which the total reported FTE exceeds 1.0, FDOE will recalibrate the FTE to 1.0.

# VIP Provider Data Verification

- Imperative to collaborate and share information with Provider to ensure accuracy of data for provider grades.
- Verify data throughout school year (can use district reports).
- FDOE Education Information and Accountability Services (EIAS) for districts during Surveys 2 and 3.
- FDOE will generate similar report for providers.
- Involve providers in Accountability Matching process during Survey 3.
- Make sure student ID and provider codes are accurate.
- Course numbers should match in Surveys 2, 3 and 4.

# FDOE Generated Report for Virtual Student FTE – F71134

- Available for Survey 4.
- Purpose is to verify Survey 4 virtual course completions with FTE reported greater than zero.
- Report lists total FTE reported for each virtual school in Survey 4.
- Compares current FTE reported to previous year FTE reported in Survey 4.
