Subject: Joint FAEDS/SDCCMIS Conference, October 8-10

Greetings!

K-12 educational and information technology leaders have a conference this October 8-10, at the Bellevue Biltmore in Clearwater.

"A K-12 IT Summit:" exemplary practices, training, technology issues and futures...

While this is a joint conference of all school district, community college, and university CIOs and IT managers (FAEDS and SDCCMIS); this is an open meeting and any interested are encouraged to attend. Florida's educational technology implementations are "world-class," come see the why and the who...
