Subject: FAMIS Steering Committee meeting

The next FAMIS Steering committee meeting will be held on January 26th 2005 as per the Agenda below and Attached. This meeting room is provided by FETC at the Orange County Convention Center <http://www.fetc.org/>. I hope you have already made your reservations for the FETC. I called the housing office and they indicated that they have booked all the rooms they reserved. They did however refer me to this site <http://www.orlandoinfo.com> where I located a room. I found a room at the Quality Inn, 7600 International Drive, 407 996-1600 <http://www.orlandoqualityinn.com>.

Please let me know if you will be able to attend this meeting.
