Spring Conference

Monday, April 28 - Wednesday, April 30, 2008

Ocala Hilton, Ocala, Florida

Vendor Opportunities

As a valued member of the corporate community that supports FAMIS and its members, we are pleased to offer you a unique conference venue for marketing opportunities. This event draws key K-12 IT personnel from Florida public school sector, Florida Department of Education.

Vendor participants will be given a booth in the exhibit hall, conference registrations and have an opportunity to schedule a solution presentation (50 minutes), provide pre-conference information via mail, be recognized in conference program and via on-site signage.

All booths are draped. There are 35 vendor booths available. Five of the booth spaces are 10 foot frontage able to accommodate large table displays with backdrops. The remaining booths are standard 6 foot frontage table top displays. The hotel will only accept and store shipped vendor materials for seven (7) days prior to the conference (April 21—28, 2007).

Deadline for booth registrations is February 28, 2008.

Please select your sponsorship level. Final determination as to the solutions presentations and booth assignments will be made by FAMIS based on level of sponsorship, date of paid registration, and available space on the program. If you have any questions regarding sponsorships please contact Marsha Cole 904.348.5730 or colem@dreamsbeginhere.org
